

2017 EIFLE WINNER

From the Institute for Financial Literacy

Children's Education Program of the Year:

Financial Responsibility & Decision Making

YOUR \$: Financial Literacy for Kids is a monthly in-school magazine for students in 4th, 5th and 6th grade. Each weekly edition focuses on providing the students with relevant, fun and informational topics on financial education. 93% of teachers said it helped expose students to important issues about handling money. With a magazine that reaches nearly 2 million students each year, YOUR \$: Financial Literacy for Kids can make a difference in the way our kids see learning about financial literacy!

Each year, the Institute for Financial Literacy presents the EIFLE Awards at the Annual Conference on Financial Education. EIFLE Awards recognize individuals and organizations that have shown exceptional innovation, dedication and commitment to the field of Financial Education.

The Annual Conference on Financial Education provides professional development opportunities for individuals who work with financial literacy education. The Conference offers attendees the opportunity to learn about current trends, develop funding strategies and advance the cause of financial education.

What we learn with pleasure we never forget.
