From the Institute for Financial Literacy

Adult Book of the Year: Money Management

O.M.G. Official Money Guide for College Students
By: Susan P Beacham & Michael L Beacham with Allison R Beacham

This comprehensive book is a must for all prospective and current college students. The “O.M.G. Official Money Guide for College Students,” helps provide practical skills to help students avoid common financial mistakes. From hot topics including: living in a dorm vs. off campus, how to use credit responsibly and how to understand their financial aid loans. It will also help teach them financial habits that will “last them a lifetime,” by providing practical examples that relate to college students and the financial issues they might face in this phase of their lives.

Each year, the Institute for Financial Literacy presents the EIFLE Awards at the Annual Conference on Financial Education. EIFLE Awards recognize individuals and organizations that have shown exceptional innovation, dedication and commitment to the field of Financial Education.

The Annual Conference on Financial Education provides professional development opportunities for individuals who work with financial literacy education. The Conference offers attendees the opportunity to learn about current trends, develop funding strategies and advance the cause of financial education.

What we learn with pleasure we never forget.

- Alfred Mercier
