## TOPICS TO INTEGRATE WITHIN LESSON PLANS

- Financial literacy:
  - Living within one's means
  - Financial planning
  - Investing for the future
- Work ethic:
  - Early hours/late nights (see Lesson #1 below for more ideas!)
  - Setting goals to accomplish within a specific time frame
  - Working "smarter not harder"
- Education:
  - Learning new trades
- Personal adaption:
  - Learning how to accommodate to living environments/ change  
in economic conditions

Integrate several lessons across all subjects to increase understanding
